# MY PI NC...WHAT IS IT?

**Get Involved...Register Today & Become a Leader in your community!**

---

NC Cooperative Extension will offer a two-time national award winning youth preparedness, leadership & educational outreach program known as MyPI (My Preparedness Initiative) for teens across North Carolina.

MyPI offers a flexible and engaging, three component program. In Component A, teenagers will complete the United States Department of Homeland Security/Federal Emergency Management Agency-certified CERT training and modules focusing on Disaster Preparedness, Fire Safety and Utility Control, Disaster Medical Operations, Light Search and Rescue, CERT Organization, Disaster Psychology, and Terrorism.

In Component B, certification or demonstration in CPR and AED usage, along with technology track programs focusing on HAM Radio, NOAA Weather Radio, Smoke Alarm Maintenance, Smart Phone Apps and Social Media in Emergency Preparedness. This also includes a Disaster Simulation, and a Career Track that focuses on public safety, fire service, & emergency management careers.

Component C includes a family and community service project entitled "Prep + 6" in which each participant helps develop emergency supply kits and emergency communication plans for their household AND 6 additional households. To graduate from the program, students must complete all components.
